## What is SAT?

**SAT** is a globally recognized college admission test that lets you show colleges what you know and how well you can apply that knowledge. It tests your knowledge of reading, writing and math — subjects that are taught every day in high school classrooms. Almost all colleges and universities in the United States use SAT to make admission decisions.

Taking SAT is the first step in finding the right college for you, the places where you can further develop your skills and pursue your passions.

## Why choose SAT?

To enter a college or university in the United States students must take SAT. Colleges require SAT because it measures the skills you need for academic and career success.

## The Test

SAT tests are offered seven times a year in the United States and **six times at international sites** and take three (3) hours and 45 minutes to complete.

The format is a multiple choice and a short optional essay.

## Register Online

The quickest and easiest way to register is online at [www.collegeboard.org](http://www.collegeboard.org)

- Choose your test date and test center in real time.
- Receive immediate registration confirmation.
- Get 24-hour access to your registration for printing or correcting your Admission Ticket.

## How will SAT preparation classes help?

The classes will include specific test-taking tips and techniques, including:

- Knowing what to expect from the test.
- Practicing the types of questions.
- Being familiar with the number of questions and the order.
- Knowing the test directions.
- Learning when and how to guess.
- Knowing how to identify the easiest questions.
- Learning specific approaches for each of the six types of test questions.
